

Brief of IIE chapter at JUST

Institute of Industrial Engineers is the world's largest professional society dedicated solely to the support of the industrial engineering profession and individuals involved with improving quality and productivity. IIE chapter at JUST is established on February 2006 and is responsible for serving the members' needs in particular and industrial engineering student in general. Different programs has been implemented to serve our member, including meetings, social events, inviting guest speakers, and conducting workshops that enhanced student learning.
