### Purpose:

The aim of this policy is to define the dress code for the nursing students at Jordan University of Science and Technology (JUST) at their clinical settings. The uniform helps to

- Identify the individual as a student in JUST, Faculty of Nursing and must reflect a positive and professional image of the individual and the University.
- Ensure students maintain a professional appearance at all times.
- Ensure the protection of students and the public
- Ensure a consistency and allow for cultural practices
- Minimize the risk of cross infection and maintain hand hygiene
- Ensure safe movement

### Policy:

The uniform identifies an individual as a student in JUST, Faculty of Nursing and must reflect a positive and professional image of the individual and the University. The following regulations govern Student Dress Code for clinical settings.

### Procedure:

1. Students who are working with clients and health professionals are expected to dress in a professional manner, clean and neat. The students' appearance and dress must be consistent with the faculty policy:
  - a. **Uniform:** The uniform will be Burgundy for both male and female students. Uniform could be of any style that provides a professional appearance, allows comfort and freedom of movement. The student is responsible to purchase uniform. Uniform is to be worn in the clinical setting only.  
Long sleeve shirts worn under the uniform must be white and not contain any graphics.
  - b. **Name Tag:** The student name, student academic year, and the name of the institution "JUST / Faculty of Nursing" imprinted on the name tag, should be worn at all times. It is the students' responsibility to buy the name tag.
  - c. **Jewelry and Scents:** Watches, medical alert identification, plain wedding ring, and small stud earrings may be worn. Jewelry should not be worn; use of perfume and scented after-shave may be avoided.
  - d. **Shoes:** All shoes must be clean and in good repair, either white or black, for female and male students. Shoes must cover the entire foot and have a close toe and heel. The heel will be no higher than 3 cm.
  - e. **Hair and Nails:** Hair must be worn off the collar and away from the face. No nail polish may be worn, and nails must not extend beyond the end of the finger. Hijab for female students should be in white color and in a style appropriate for a profession. Male students are to be clean shaven or have a neatly trimmed beard.
  - f. Watch with second hand, stethoscopes, scissors and pens are required accessories to uniform
  - g. Pointes will be deducted for non-adherence to the policy each day and will be cumulative in the Student professionalism evaluation
