Purpose: the purpose of this policy is to provide guidelines to ensure that the students receive adequate clinical instruction to meet the objectives of the course. This policy helps to

- Determine the overall number of clinical hours required by the program.
- Determine if the student met the requirements to pass the course.
- Determine the compliance of students.

Policy

The number of required clinical hours scheduled for students will be determined by the number of clinical course credits

The students who miss (10%) of the predetermined clinical hours may fail the course

Procedure:

- Faculty will schedule a maximum of one (1) clinical day for end-of-rotation evaluations.
- Faculty will schedule a maximum of one (1) clinical day for orientation to the clinical unit unless there are circumstances that require a longer orientation period. When these circumstances exist, faculty will notify the Department Chair in writing of the total amount of time to be used for orientation and rationale for this need.

PROCEDURE: The total number of required clinical hours will be designated on the course syllabus	Credits	Clinical Hours per Week
