

Jordan University of Science and Technology

Event title and link	Location	Date
Introductory seminar on the project of developing artificial intelligence and robotics curricula DeCAIR. Introductory seminar on the project of developing artificial intelligence and robotics curricula DeCAIR	Jordan University of Science and Technology	26 Oct 2022
Orientation meeting for the Dean and faculty members with new students. Orientation meeting for the Dean and faculty members with new students	Jordan University of Science and Technology	07 Nov 2022
An introductory lecture on the Cisco-Estarta incubator program. Introductory lecture on the Cisco-Estarta Incubator Program	Jordan University of Science and Technology	13 Dec 2022
Honoring the winning students in the competition for the best electronic application to introduce the city of Irbid by Prof. Dr. President of the University. Jordan University of Science and Technology honors the winners of the competition for the best electronic application to introduce the city of Irbid	Jordan University of Science and Technology	15 Dec 2022
Hosting members of the Project Management Institute Jordan Branch (PMI – Jordan Chapter) to introduce the importance of project management and the certificates offered. Hosting members of the Project Management Institute Jordan Branch (PMI – Jordan Chapter) to introduce the importance of project management and the certificates offered	Jordan University of Science and Technology	26 Dec 2022

<p>Seminar on Artificial Intelligence and Business Intelligence from Shay Artificial Intelligence Company. Seminar on Artificial Intelligence and Business Intelligence from Shay Artificial Intelligence Company</p>	Jordan University of Science and Technology	29 Dec 2022
<p>Participation of students from the College of Computer and Information Technology in the National Information Security Competition. Conclusion of the National Information Security Competition "JUST-CTF-V4"</p>	Jordan University of Science and Technology	22 Feb 2023
<p>Seminar on Artificial Intelligence and Computer Vision from Shay. Seminar on Artificial Intelligence and Computer Vision from Shay</p>	Jordan University of Science and Technology	29 Mar 2023
<p>Open Sports Day at Jordan University of Science and Technology. Open Sports Day at Jordan University of Science and Technology</p>	Jordan University of Science and Technology	17 May 2023
<p>Exhibition of students' graduation projects. Student Graduation Projects Exhibition</p>	Jordan University of Science and Technology	23 Jul 2023
<p>Students from the College of Computer and Information Technology participated in the competition of the Dutch Award for Youth Creativity (Diaa). Students of the College of Computer and Information Technology win the Dutch Award for Youth Creativity (Diaa) at the University of Science and Technology</p>	Jordan University of Science and Technology	13 Aug 2023
<p>Techno Robotics Competition 2023 at the University of Science and Technology. Techno Robotics Competition 2023 kicks off at the University of Science and Technology</p>	Jordan University of Science and Technology	31 Aug 2023

<p>Training Workshop for Cybersecurity Students</p> <p>The College of Computer and Information Technology holds a training workshop for cybersecurity students</p>	Jordan University of Science and Technology	30 Aug 2023
<p>Training competitions.</p> <p>Robotics Competition Training at the College of Computer and Information Technology</p>	Jordan University of Science and Technology	03 Aug 2023
<p>Training competitions.</p> <p>Training Programming Competition</p>	Jordan University of Science and Technology	30 Mar 2023
<p>Training competitions.</p> <p>Training programming competition for students of the College of Computer and Information Technology</p>	Jordan University of Science and Technology	03 Jan 2023
<p>Orientation meetings for students.</p> <p>Meeting of the Head of the Department of Computer Science and faculty members with graduates and students of the Computer Science and Artificial Intelligence programs</p>	Jordan University of Science and Technology	29 Dec 2022
<p>Orientation meetings for students.</p> <p>Meeting of the Head of the Computer Engineering Department with the new students</p>	Jordan University of Science and Technology	01 Dec 2022
<p>Orientation meetings for students.</p> <p>Welcome meeting from the Head of the Cybersecurity Department and</p>	Jordan University of Science and Technology	31 Oct 2022

faculty members with the students of the Cybersecurity Department		
"Techno Robotics" competition at Jordan University of Science and Technology. Techno Robotics" Competition at " Jordan University of Science and Technology	Jordan University of Science and Technology	03 Sep 2023
Programming competition for technotic teams. Programming competition for technotic teams	Jordan University of Science and Technology	03 Sep 2023
Participation of students from the College of Computer and Information Technology in the final competition of the Arab Conference on Information Security 2023. Students of the University of Science and Technology win the first and seventh places globally in the finals of the Arab Conference on Information Security 2023	Jordan University of Science and Technology	21 Sep 2023
Participation of students from the College of Computer and Information Technology in the national programming competition. Jordan University of Science and Technology wins second and third place in the JCPC national programming competition	Jordan University of Science and Technology	05 Nov 2023
Students from the College of Computer and Information Technology participated in the robotics competition to fight fires. Students of the Faculty of Computer and Information Technology at the University of Science and Technology win the fourth edition of the Fire Fighting Robot Contest in the programming category.	Jordan University of Science and Technology	20 Nov 2023
Scientific workshop entitled Introduction to Remote Control " Aircraft Technology: The Impact of Artificial Intelligence and Networks"	Jordan University of Science and Technology	01 Nov 2023

A scientific visit to Shay company in the field of artificial intelligence	Jordan University of Science and Technology	25 Oct 2023
Semiconductor Design National Competition (JoSDC 2023)	Jordan University of Science and Technology	31 Aug 2023
The College of Computer and Information Technology holds the meeting of the advisory committees and the exhibition of students' graduation projects	Jordan University of Science and Technology	23 Jul 2023
A scientific trip for students of the College of Computer and Information Technology to the village of Orange in Irbid	Jordan University of Science and Technology	09 Apr 2023
Seminar on Artificial Intelligence and Computer Vision from Shay	Jordan University of Science and Technology	29 Mar 2023
ICICS 2023 World Conference on Information and Communication Systemsat Jordan University of Science and Technology	Jordan University of Science and Technology	23 Nov 2023
Faculty members in the College of Computer and Information Technology among the top 2% researchers in the world according to Stanford University ranking for the fourth time	Jordan University of Science and Technology	05 Oct 2023
Open Sports Day at Jordan University of Science and Technology. Open Sports Day at Jordan University of Science and Technology	Faculty of Computer and Information Technology	17 May 2023
Exhibition of students' graduation projects. Student Graduation Projects Exhibition	Faculty of Computer and Information Technology	23 Jul 2023
Workshop on the National Semiconductor Design Competition. Semiconductor Design National Competition (JoSDC 2023)	Faculty of Computer and Information Technology	31 Aug 2023
Scientific workshop entitled "Introduction to Remote Control Aircraft Technology: The Impact of Artificial Intelligence and Networks.	Faculty of Computer and Information Technology	01 Nov 2023

Scientific workshop entitled "Introduction to Remote Control Aircraft Technology: The Impact of Artificial Intelligence and Networks"		
Cyber Security and Risk Management". ندوة علمية بعنوان "Cyber Security and Risk Management"	Faculty of Computer and Information Technology	18 Dec 2023
Seminar on the management of apiaries in summer and the quality of honey	Faculty of Agriculture, Jordan University of Science and Technology	8/7/2023
Scientific symposium on good management of apiaries	Faculty of Agriculture, Jordan University of Science and Technology	7/26/2023
Awareness lecture entitled proper nutrition before and during pregnancy	Faculty of Agriculture, Jordan University of Science and Technology	12/1/2023
World Diabetes Day Activities (Health Center)	Faculty of Agriculture, Jordan University of Science and Technology	22/11/2023
The collection of secrets of vitamins	Faculty of Agriculture, Jordan University of Science and Technology	2023
Participation in a dialogue session on the reasons for the decline in olive production	Faculty of Agriculture, Jordan University of Science and Technology	2023
The participation of Dr. Rami Haddad from the Department of Civil Engineering as Chairman of the Ninth Conference on Civil Engineering, which will be held in November 2024.	Faculty of Engineering, Jordan University of Science and Technology	2023
The participation of Dr. Tariq Darabseh from the Department of Aeronautical Engineering in the committee for approving and approving the study plan to obtain a bachelor's degree in aircraft technology from the Royal Air Force Technical College of Aviation Sciences, in his capacity as a rapporteur of the committee.	Faculty of Engineering, Jordan University of Science and Technology	Sep-23

<p>The participation of Dr. Tarek Darabseh from the Department of Aeronautical Engineering in the committee for approving and approving the study plan to obtain a bachelor's degree in aviation science / drone operation from the Royal Air Force Technical University College of Aviation Sciences.</p>	<p>Faculty of Engineering, Jordan University of Science and Technology</p>	<p>Sep-23</p>
<p>The participation of Dr. Hazem Al-Smadi from the Department of Industrial Engineering in the Committee for the Approval and Accreditation of the Engineering Diploma Program at the National University College of Technology, in his capacity as a rapporteur of the committee.</p>	<p>Faculty of Engineering, Jordan University of Science and Technology</p>	<p>August 2023</p>
<p>The participation of Dr. Esraa Abdel Aal from the Department of Industrial Engineering in the Committee for the Approval and Accreditation of the Industrial Engineering Program at Al Hussein Technical University, in her capacity as a rapporteur of the committee.</p>	<p>Faculty of Engineering, Jordan University of Science and Technology</p>	<p>2023/7/12</p>
<p>Providing an intensive lecture program on the topics of radiation quantities, reaction coefficients, dosimetry, radiation protection, radiation detectors and principles of radiation detection for a group of participants in the postgraduate course in radiation protection and safety of radioactive sources (PGEC) in cooperation with the Jordan Atomic Energy Commission.</p>	<p>Faculty of Engineering, Jordan University of Science and Technology</p>	<p>May 2023</p>
<p>On 28/5/2023, the department hosted Eng. Ali Obeidat from Jordan Aviation Hall / Salahuddin Amphitheater to introduce students to the fields of work in local and regional airlines. Providing a lecture to the students of the department on the stage of post-graduation preparation and the training courses that the student needs to increase his chances of being appointed after graduation. Link</p>	<p>Faculty of Engineering, Jordan University of Science and Technology</p>	<p>28/5/2023</p>

<p>An introductory lecture for first-year secondary students from King Abdullah II School for Excellence / Irbid on 11/30/2023 to introduce the department and encourage students to join the College of Engineering in its various departments, in addition to a field tour in aerospace engineering laboratories. Link</p>	<p>Faculty of Engineering, Jordan University of Science and Technology</p>	<p>11/30/2023</p>
<p>Hosting Eng. Mohamed Ababneh to give a seminar entitled "Aviation Industry" on 21/12/2023 at Al-Ghazali Hall / Salah Al-Din Amphitheater, during which he talked about how to obtain the necessary licenses for engineers in the field of aircraft maintenance such as CARC and EASA. In addition to talking about some legislation and laws related to the aviation sector. Link</p>	<p>Faculty of Engineering, Jordan University of Science and Technology</p>	<p>21/12/2023</p>
<p>Student Youssef Khaled Amr participates in training at Airbus at the company's headquarters in Toulouse, France, under direct supervision and coverage of all expenses from the Crown Prince Foundation. Link</p>	<p>Faculty of Engineering, Jordan University of Science and Technology</p>	<p>2022-2023</p>
<p>Student Sara Tarawneh participated in the 74th International Astronautical Congress in Baku Azerbaijan, presenting and publishing two scientific research papers during the conference. (2023). Link</p>	<p>Faculty of Engineering, Jordan University of Science and Technology</p>	<p>2022-2023</p>
<p>Student Sara Tarawneh qualified for the finals in the Creative Excellence Initiative for Unmanned Aerial Vehicles by the Jordanian Design and Development Bureau (JODDB), presenting an idea titled "Mach1 for Humanitarian Services in Earthquakes and Emergencies." (2023). Link</p>	<p>Faculty of Engineering, Jordan University of Science and Technology</p>	<p>2022-2023</p>
<p>Student Sara Tarawneh trainer in the field of virtual reality at the "Future Astronaut" event organized by the Communications and Space</p>	<p>Faculty of Engineering, Jordan University of Science and Technology</p>	<p>2022-2023</p>

Technology Authority (CST) in Riyadh, Saudi Arabia, (2023). Link		
Student Sara Tarawneh participated in the NASA Space Apps Challenge, contributing solutions to challenges in both Earth and space exploration in 2023. Link	Faculty of Engineering, Jordan University of Science and Technology	2022-2023
The participation of Dr. Moaz Bani Hani from the Department of Aeronautical Engineering in the Preparatory Committee for the Fourth Irbid International Engineering Conference.	Faculty of Engineering, Jordan University of Science and Technology	May 2023
Scientific Day of the Faculty of Engineering	Faculty of Engineering, Jordan University of Science and Technology	2023/3/14
The participation of Dr. Hanan Al-Nimri, Dean of the Faculty of Engineering, as a keynote speaker in the specialized symposium in the field of earthquake-resistant buildings, organized by the Academic Committee of the Jordan Concrete Society.	Faculty of Engineering, Jordan University of Science and Technology	2023/3/18
The participation of Dr. Hanan Al-Nimri, Dean of the Faculty of Engineering, as a keynote speaker in the specialized symposium in the field of urban planning and public safety from natural disasters (recommendations after the 2023 earthquake in Turkey) organized by the Jordan Planning Forum.	Faculty of Engineering, Jordan University of Science and Technology	2023/3/18
Participation of Dr. Turki Obeidat from the Department of Civil Engineering in preparing a study on digital transformation in Arab higher education institutions / League of Arab States.	Faculty of Engineering, Jordan University of Science and Technology	2023
Organizing a training program for ten graduate trainees from Khalifa University in the United Arab Emirates to conduct experiments in the subcritical nuclear system in the Department of Nuclear Engineering	Faculty of Engineering, Jordan University of Science and Technology	2022/11/2
Implementation of a free training program on artificial intelligence in engineering applications jointly between the Department of Nuclear	Faculty of Engineering, Jordan University of Science and Technology	2022/5/9

Engineering at the Jordan University of Science and Technology and the Department of Nuclear Engineering at Purdue University, USA.		
The participation of Dr. Osama Naseer from the Department of Civil Engineering as a member of the academic committee of the Scientific Research and Innovation Fund for a period of two years under the auspices of the Scientific Research and Innovation Support Fund.	Faculty of Engineering, Jordan University of Science and Technology	Academic Year 2022-2023
Participation of Dr. Mohammed Al-Nimr from the Department of Mechanical Engineering in the editor-in-chief of the International Journal: Energy Conversion and Management	Faculty of Engineering, Jordan University of Science and Technology	2018-2023
Participation of Dr. Rami Haddad from the Department of Civil Engineering as Editor-in-Chief of the Jordanian Journal of Civil Engineering (ISSN: 1993-0461)	Faculty of Engineering, Jordan University of Science and Technology	March 2020 until now
Participation of Dr. Saad Abu Qadis from the Department of Civil Engineering in the Editorial Board of the Jordanian Journal of Civil Engineering (ISSN: 1993-0461)	Faculty of Engineering, Jordan University of Science and Technology	2021-2024
Participation of Dr. Ayman Ababneh from the Department of Civil Engineering in the Editorial Board of the Jordanian Journal of Civil Engineering (ISSN: 1993-0461)	Faculty of Engineering, Jordan University of Science and Technology	2021-2024
Participation of Dr. Hanan Al-Nimri from the Department of Civil Engineering in the Editorial Board of the Jordanian Journal of Civil Engineering (ISSN: 1993-0461)	Faculty of Engineering, Jordan University of Science and Technology	2024-2021
The Department of Chemical Engineering invited Prof. Dr. Mohamed Naguib from the American University of Beirut to meet with university students wishing to complete their graduate studies and provide them with scholarships	Faculty of Engineering, Jordan University of Science and Technology	7/11/2023
Workshop entitled "Faculty of Agriculture at the Service of Bees and Beakepers"	Faculty of Agriculture Jordan University of Science and Technology	19-Oct-23

Seminar on "Commercialization of Scientific Research Outputs"	Jordan University of Science and Technology	4-Oct-23
Training Course: Water Conflicts and Cooperation	Jordan University of Science and Technology	1-Oct-23
Scientific session in chemistry	Jordan University of Science and Technology	11-Sep-23
Techno Robotics Competition 2023	Jordan University of Science and Technology	30-Aug-23
The Fourth International Conference of the Faculty of Dentistry entitled "Modern Technologies in Dentistry"	Jordan University of Science and Technology	14-Jun-23
Dialogue session on maternal mortality "We learn not to lose others"	Jordan University of Science and Technology	13-Jun-23
The Fifth International Conference of the Faculty of Pharmacy	Jordan University of Science and Technology	7/6/2023 - 8/6/2023
National Independence Day Ceremony	Jordan University of Science and Technology	24-May-23
Third International Conference on Advanced Materials	Jordan University of Science and Technology	22-May-23
Seminar entitled "Investing in Opportunities"	Jordan University of Science and Technology	21-May-23
The play "Bokra"	Jordan University of Science and Technology	16-May-23
Japanese Day Events	Jordan University of Science and Technology	10-May-23
Veterinary tent and veterinary medical day	Jordan University of Science and Technology	10-May-23
Opening of Simulated Laboratories at the Faculty of Pharmacy	Jordan University of Science and Technology	21-Mar-23
A lecture entitled "The impact of social networking sites and electronic games on societal peace"	Jordan University of Science and Technology	20-Mar-23
Scientific Day of the Faculty of Engineering	Jordan University of Science and Technology	14-Mar-23

The Fifth International Conference on Ambulance and Emergency Specialization 2023	Jordan University of Science and Technology	13 Mar 2023
Arab and Foreign Communities Heritage Exhibition	Jordan University of Science and Technology	12-Mar-23
Workshop entitled: (Academic Writing (reports))	Jordan University of Science and Technology	8-Mar-23
Awareness Seminar on Cybercrime, Extremist Ideology and Non-Violence	Jordan University of Science and Technology	7-Mar-23
Sports Open Day	Jordan University of Science and Technology	6-Mar-23
Arbor Day Celebration Events	Jordan University of Science and Technology	20-Feb-23
Scientific workshop entitled Cosmetic and Cosmetic Pharmaceutical Products	Jordan University of Science and Technology	12-Jan-23
Physics Exhibition Events	Jordan University of Science and Technology	4-Jan-23
Campaign entitled "My health is the health of my mouth and teeth"	Jordan University of Science and Technology	7-Dec-22
Events of the Jordanian Youth Conference	Jordan University of Science and Technology	3-Dec-22
Charity Match to Support Cancer Patients	Jordan University of Science and Technology	28-Nov-22
Medical Open Day for Diabetics	Jordan University of Science and Technology	24-Nov-22
Career day " Stepping outside the Traditional pharmacy box"	Jordan University of Science and Technology	23-Nov-22
Training workshop entitled "New Parties Law"	Jordan University of Science and Technology	9-Nov-22
Events Launching the Dutch Youth Creativity Award	Jordan University of Science and Technology	8-Nov-22
Ibdaa Initiative Events	Jordan University of Science and Technology	27-Oct-22

International Day for Mental Health	Jordan University of Science and Technology	20-Oct-22
Breast Cancer Awareness Month	Jordan University of Science and Technology	13-Oct-22
Organizing the activity of setting up a veterinary tent by the students of the Faculty of Veterinary Medicine / Alfa team on Wednesday, 16/11/2022 on campus. Link	Faculty of Veterinary Medicine, Jordan University of Science and Technology	16/11/2022
Holding a veterinary tent activity and a free veterinary medical day on Wednesday, 10/5/2023 on campus, an activity that aims to introduce the veterinary profession and the role of the veterinarian in various aspects of society, including maintaining animal health. Link	Faculty of Veterinary Medicine, Jordan University of Science and Technology	10/5/2023
The Dean and the administrative body met with the college students on Sunday, 10/30/2022 on campus, where he met with the new students at first, welcomed them, briefed them on the study plan for the specialization, advised them of the need to work hard and follow up their studies, briefed them on the college facilities, and then met with college students from other years, where he listened to the problems facing them and promised to work to solve them. Link	Faculty of Veterinary Medicine, Jordan University of Science and Technology	10/30/2022
The College of Veterinary Medicine, in cooperation with the British Royal College of Veterinary Medicine (RVC), organized a workshop on designing study plans during the period from 13-15/12/2022 at the college building. Link	Faculty of Veterinary Medicine, Jordan University of Science and Technology	15/12/2022
