

### **Ambitious Goal**

To procure goods and services in ways that maximize efficiency and effectiveness while minimizing social, environmental and other risks.

### **Objectives**

1. Increase the number of tenders that adopt the sustainability issues.
2. Increase the percentage of environmental-friendly materials that will be purchased.

### **Actions**

1. Develop regulations to organize the tendering and purchasing processes to put sustainability-based conditions on the purchased materials.
2. Provide guidance and training to support staff across the University with responsibility for purchasing all goods and services on sustainability matters.
3. Decrease the percentage of purchased material and equipment that already available in university by developing a system to ensure the availability of requested materials in the university before starting the purchasing process.

### **Performance indicators**

1. Percentage of tenders that include sustainability-based conditions.
2. Percentage of environmental-friendly materials that will be purchased compared to the whole materials.

### **Alignment with Sustainability Development Goals**

This Action Plan aligns with SDG 12 Responsible Consumption and Production

### **Alignment with JUST Strategic Plan 2022-2026**

This Action Plan aligns with JUST Strategic Goal 5 University Environment and Infrastructure and 6 Social Responsibility

### **Challenges**

3. Financial resources.
4. Cultural obstacles and behavior.
