

**Jordan University of Science and Technology  
Department of Aeronautical Engineering**

**Practical Training Survey**

This survey is designed to get your opinion on the practical training at your department. Your responses will remain anonymous. The information you provide will help us improve the engineering education at JUST. If you encounter some questions about issues that are unfamiliar to you, please answer to the best of your ability.

**Name (Optional):** ..... **Student ID# (Optional):** .....

**Transfer Student?**  No,  Yes (Transferred:  less than 24 credit hours  more than 24 credit hours)

**Gender:**  Female  Male

**Reasons for choosing this program (Check all that apply)**

- |                                                                  |                                               |
|------------------------------------------------------------------|-----------------------------------------------|
| <input type="checkbox"/> Interest in math, chemistry, or physics | <input type="checkbox"/> High starting salary |
| <input type="checkbox"/> Interest in engineering                 | <input type="checkbox"/> Work experience      |
| <input type="checkbox"/> Influenced by friend or family          | <input type="checkbox"/> High school average  |
| <input type="checkbox"/> Influenced by faculty                   | <input type="checkbox"/> Other: please list   |
| <input type="checkbox"/> Reputation of the field                 | <input type="checkbox"/> .....                |

**Career plans (Check all that apply)**

- |                                          |                                                |
|------------------------------------------|------------------------------------------------|
| <input type="checkbox"/> Graduate School | <input type="checkbox"/> Military              |
| <input type="checkbox"/> Industry        | <input type="checkbox"/> Other, please specify |
| <input type="checkbox"/> Government      | .....                                          |

**Please rate the level of achievement in your practical training in each of the following items.**

<i>Abilities, Attributes, and Skills</i>	<i>Rating of JUST in providing abilities, attributes, and skills</i>				
	<i>Very Low</i>				<i>Very High</i>
Ability to communicate effectively with a range of audiences	1	2	3	4	5
Ability to recognize ethical and professional responsibilities in engineering situations taking into consideration the impact of engineering solutions in global, economic, environmental, and societal contexts	1	2	3	4	5
Ability to make informed judgments taking into consideration the impact of engineering solutions in global, economic, environmental, and societal contexts	1	2	3	4	5
Ability to acquire new knowledge as needed, using appropriate learning strategies	1	2	3	4	5
Ability to apply new knowledge as needed, using appropriate learning strategies	1	2	3	4	5

**Please feel free to provide any further comments on your practical training and your educational experience at JUST.**
