Technology

WHO Collaborating Center
for Nursing Development

Dear Colleague;

Greetings from Jordan

We would like to invite the nursing and midwifery health care professionals at your organization to the upcoming International Nursing Congress on “Innovative Avenues: Practice drives Education, Research, and Policy” during October 16 – 17, 2018 under the patronage of HRH Princess Muna Al Hussein at Jordan University of Science & Technology (JUST), Irbid-Jordan.

The theme of the congress is "strengthening and investing in nursing and midwifery workforce to achieve the global health agenda including universal health coverage".

The congress brings together the world’s nursing and midwives leaders, practicing nurses and midwives, policy makers, scholars, and nursing and midwifery students to address national and international contemporary issues in nursing and midwifery practice, policy, education, health informatics and research. For more details, please have a glance at our webpage: <http://www.just.edu.jo/Conferences/INC/Pages/default.aspx>

Please note that our organization is offering your people with maximum discount for early bird registration and if you are coming with a group of 5 or more members (colleagues/ students).

Looking forward for your participation.

Chair for Congress Scientific Committee

Laila Akhu-Zaheya, RN, PhD
