		Jordan University of Science and Technology Faculty of Nursing Irbid, Jordan
March 2018- March 2023	Assistant Professor	Department of Community and Mental Health Nursing Jordan University of Science and Technology Faculty of Nursing Irbid, Jordan
June 2011 - June 2013	Full-time Lecturer	Department of Community and Mental Health Nursing Jordan University of Science and Technology Faculty of Nursing Irbid, Jordan
August 2005- June 2008	Clinical Nursing Instructor	Department of Community and Mental Health Nursing Jordan University of Science and Technology Faculty of Nursing Irbid, Jordan

Jordan RN Licensure

Licensure: Jordan Nurse Registration 9829 (Active)

New Mexico Board of Nursing 75544 (Active)

Professional Memberships and Activities

Midwest Nursing Research Society (Active)

Honors and Awards

- 2014 Nursing Graduate Student Award, Research! Louisville, poster presentation award
- 2005 Jordan Military Sponsorship Award
- 2005 Jordan Nurses and Midwives Council Nursing Graduate Award

Research/Scholarship

As an associate professor, Tariq Al-Dwaikat is committed to improving research and his scholarship and research skills in the academic setting. During his work as an assistant professor, he was dedicated to establishing his research trajectory; such as conducting research projects as a principal investigator and partnering with colleagues in various research activities that include publishing in internationally recognized journals. He received four Faculty Research Awards for his studies, 2018-2020. Tariq Al-Dwaikat presented at regional and international conferences. Tariq Al-Dwaikat has a special interest in studying the variables that influence the psychological well-being of persons with chronic diseases, students, and nurses, promoting understanding of these variables, and developing interventions that are beneficial for them. His research interest focused on: *Behavior Modification, Health Professionals Education, Psycho-social Research, and Quantitative Data Analysis.*
