Chairman of advising committee for the graduate student Mohannad Alkwesie, RN, MSN at School of Nursing /Jordan university of Science and Technology. The thesis is entitled ”Predictors of Hope Among Patients With Cancer in Jordan” (2011)

Chairman of advising committee for the graduate student Ahmad Mahmoud Deeb, RN, MSN at School of Nursing /Jordan university of Science and Technology. The thesis is entitled ”_Validation of nursing diagnosis impaired swallowing among patients with cancer”(2010)

Chairman of advising committee for the graduate student Omar Mohammed Alostaz , RN, MSN at School of Nursing /Jordan university of Science and Technology. The thesis is entitled” Predictors of Intensive Care Unit length of Stay After Coronary Artery Bypass Graft Suregery” (2008)

Co-advisor for the graduate student Haba Mohedat, RN, MSN at School of Nursing/ Jordan University of Science and Technology. The Thesis is entitled " The Relationship between Symptoms and Quality of Life for Patients with Cancer Receiving Palliative Care in Jordan” (2014)

Co-advisor for the graduate student Asam Lafi, RN, MSN at School of Nursing/ Jordan University of Science and Technology. The Thesis is entitled "The Effectiveness of Hologram Bracelet in the Management of Chemotherapy induced Nausea and Vomiting” (2014)

Co-advisor for the graduate student Sabah Souliman, RN, MSN at School of Nursing/ Jordan University of Science and Technology. The Thesis is entitled " Baseline Assessment of Patients ' Safety Culture in Jordanian Hospitals From Nurse's Perspective ” (2012)

Co-advisor for the graduate student Fares Srour Al-Shaker Haddad, RN, MSN at School of Nursing/ Jordan University of Science and Technology. The Thesis is entitled " Attitudes Toward Computer Use Among Jordanian Nurses and Physicians"(2011)

Co-advisor for the graduate student Samer Abdulmalek, RN, MSN at School of Nursing/ Jordan University of Science and Technology. The Thesis is entitled " Perceived Learning Needs of Yemeni Patients Post Cardiac Surgery " (2010)

Co-advisor for the graduate student Omar M A Khraisat, RN, MSN at School of Nursing/ Jordan University of Science and Technology. The Thesis is entitled "Factors Influencing

Computer Literacy of Nursing Students at Jordan University of Science and Technology (2009)

Member in the advising committee for the graduate student Ziad Mohammad ALostaz, RN, MSN at School of Nursing/ Jordan University of Science and Technology. The Thesis is entitled "Effectiveness of High-Fidelity Basic Life Support Simulation on Knowledge Acquisition Knowledge Retention and Self-Efficacy Among Second Year Nursing Students " (2010)

Member in the advising committee for the graduate student Sharazad Guzman, RN, MSN at School of Nursing/ Jordan University of Science and Technology. The Thesis is entitled "Jordanian Nurses Attitudes Toward Using the Internet for Seeking Health Related Information and Their Evaluation of the Information" (2011).

Member in the advising committee for the graduate student, Eyad Abed Al-Razeq Musallam, RN, MSN at School of Nursing/ Jordan University of Science and Technology. The Thesis is entitled "Clinical and Economical Impact of Surgical Site infection following Coronary Artery Bypass Graft Surgery in North Jordan" (2009)

Member in the advising committee for the graduate student Yaqoub Yousef Al-Mousa, RN, MSN at School of Nursing/ Jordan University of Science and Technology. The Thesis is entitled "the relationship between social support and depression among Jordanian breast cancer women" (2009)

Member in the advising committee for the graduate student, Ahmad Khalil Al-Sadi RN, MSN at School of Nursing/ Jordan University of Science and Technology. The Thesis is entitled "Incidence and predictors of femoral hematoma after cardiac catheterization using manual compression. (2008)

Member in the advising committee for the graduate student Shaza Hasan, RN, MSN at School of Nursing/ Jordan University of Science and Technology. The Thesis is entitled "Sleep quality disturbances among coronary artery bypass graft surgery patients in Syria " (2008)

Head of Comprehensive Exam Committee for graduate students at Adult Health Nursing Department 2009. 2010 and 2011.

Graduate Advising (Outside JUST):

Member in the advising committee for the graduate student Gaith Bani-Melhem at School of Nursing/ University of Jordan. The Thesis is entitled "Nurses` perception of the spirituality and spiritual care in Jordan" (2014).

Member in the advising committee for the graduate student Malk Al-Najar at School of Nursing/ University of Jordan. The Thesis is entitled "Jordanian Nurses' Knowledge and

attitude toward cancer pain management" (2014).

Workshops:

Health Policy and economics towards a universal coverage. Jordan KHCC, April, 2018.

E-learning: Open Educational Resources Academic Development Center/ Jordan University of Science and Technology, 17-18 September, 2014

Qualitative Nursing Research, Philadelphia University, November 23-24, 2013

Leadership skills: driving a patient safety culture. Patient Safety & Quality Congress Middle East 2013, 23 march 2013, Abu Dhabi, UAE.

Hypnosis. Jordan palliative Care and Pain management Society, Amman-Jordan 8th November 2012.

Health and Society: Social Stratification, Professionalism, Power and Clinical Practice, The Jordan Nursing Council, Amman-Jordan April 2010.

The Power of Intent and a Touch of the Unexpected: Using Research to Change Practice, The Jordan Nursing Council, Amman-Jordan April 2010.

Palliative Care Training Workshop, WHO and KHCC, Amman, Jordan 10th-12th Feb 2010.

Test Development Workshop, CGFNS International, Amman, Jordan , 11-12 May 2009.

Clinical Teaching Workshop. CGFNS International. Amman-Jordan, 13-14 May 2009.

Clinical Experience Evaluation (OSCE), Faculty of Medicine/ Jordan University of Science & Technology, April, 2007.

Testing and Evaluation "University Examinations", Academic Development Center/ Jordan University of Science and Technology, 17-19 December, 2006

Modern University Instructional Methods, Academic Development Center/ Jordan University of Science and Technology, 13-14 June, 2006

Taught courses At Jordan University of Science and Technology

***Graduate Courses:**

NUR 712 Adult Acute Health Care I theory

NUR 714 Adult Acute Health care I clinical
NUR715 Adult Acute Health Care II theory
NUR 717 Adult Acute Health care II clinical
NUR 711 Advanced Health Assessment
NUR 790 Advanced Research in Nursing

***Undergraduate Courses**

NUR 101 Introduction to Nursing
NUR102 Fundamental to Nursing (Theory)
NUR103 Fundamental of Nursing (Clinical)
NUR 206 Health Assessment (Theory)
NUR 221 Adult Health Nursing I (Theory)
NUR 302 Introduction to Nursing Research
NUR 315 Adult Health Nursing II (Theory)
NUR 317 Adult health Nursing II (Clinical)
NUR 415 Advanced Adult Health Nursing (Theory)
NUR 417 Advanced Adult Health Nursing (Clinical)

Consultation:

- Participating in the global evaluation study on the WHO Patient Safety Curriculum Guide: Multi-professional Edition
- Consultant through WHO to develop clinical protocols for practice and educational material for training in emergency preparedness.
- Consultant through WHO project in Syria in the field of Nursing teaching, learning strategies and continuing education in 2006.

Community Services:

*** At Jordan University of Science and Technology**

- A member of the university students' discipline committee at Faculty of Students Affairs 2012- Present
- A member of the "Nursing Faculty Council" at Jordan University of Science and Technology 2008-2011. 2013-2014
- Chairman of faculty research committee 2014-2016
- A member of the faculty research committee from 2012- 2014
- Chairman of the department research committee from 2017-2018
- Chairman of "Labs Development" committee at the School of Nursing for the academic year 2007-2011
- A coordinator of "Academic Counseling Committee" of the first year student at School of Nursing for the academic year 2006-2007.
- A coordinator of "Graduate Academic Counseling" committee at School of Nursing for the academic year 2009-2011.

- A member of the "Graduate Studies" committee at the School of Nursing for the academic year 2009-2011.
- A member of the "Curriculum" committee at the School of Nursing for the academic year 2009-2011.
- A member of the "Staff Development" committee at the School of Nursing for the academic year 2008/2009

*** Local Community Services:**

- Member at National Palliative Care Committee (2013-present)
- Member at Evidence Based Practice at King Hussein Cancer Center (KHCC) 2012-present)
- Lecturing at Jordan Nursing Council (JNC) for critical care nurses about caring of patient with different heart problems (2009).
- Served as an external examiner in the Comprehensive Exam for Clinical Training and Professional Adaptation Nursing Course at Jordan University (2009)
