

# CESARE'22

*3<sup>rd</sup> Coordinating Engineering for Sustainability And Resilience*  
*May 6<sup>th</sup> – May 9<sup>th</sup>, 2022, Irbid, Jordan*

**Dear Colleague,**

The Organizing Committee is pleased to announce the 3<sup>rd</sup> International Conference "Coordinating Engineering for Sustainability And Resilience" CESARE'22 co-organized by the Faculty of Engineering of the Jordan University of Science and Technology, the Department of Civil Engineering of the Fahad Bin Sultan University, the Department of Civil Engineering of the Aristotle University of Thessaloniki and the School of Engineering of the University of Birmingham.

The CESARE'22 Conference is devoted to the presentation of the most recent results and to the discussion of key issues concerning the contribution of Coordinating Engineering to Sustainability and Resilience in modern and future built environment, constructions and infrastructure.

The CESARE'22 Conference will enable scientists and engineers from the Academia, Research and Practice of Engineering to present their most recent research outcomes on any issue related to the Sustainability and Resilience of modern urban habitat and future cities environment, and exchange ideas and opinions in a fruitful and valuable dialogue.

The Conference will be held in Irbid from May 6<sup>th</sup> – May 9<sup>th</sup>, 2022. Details can be found at:

**<http://www.just.edu.jo/cesare22/Pages/ContactUs.aspx>**

The Deadline for Abstract submission is May 30, 2021.

We would like to thank you once more for your valuable support to CESRAE'22 and we hope we will have the pleasure to meet you all in Amman!

Yours Sincerely,

**CESARE'22 Organizers:**

Prof. Dr.-Ing. C.C.Baniotopoulos (Co-Chairman), UK

Prof. Dr. K. M. Abdalla (Co-Chairman), Jordan

Prof. Dr. A. H. Malkawi (Co-Chairman), Fahad Bin Sultan University, Saudi Arabia
