

Icics2025

The 16th International Conference on Information and Communication Systems

The International Conference on Information and Communication Systems (ICICS 2025) is a forum for scientists, engineers, and practitioners to present their latest research results, ideas, developments, and applications in all areas of Computer and Information Sciences. The topics that will be covered in the ICICS 2025 include, but are not limited to: Artificial Intelligence, Mobile Computing, Networking, Information Security and Cryptography, Intrusion Detection and Computer Forensics, Web Content Mining, Bioinformatics and IT Applications, Database Technology, Systems Integration, Information Systems Analysis and Specification, Communications, and Human-Computer Interaction. Researchers are encouraged to submit original research contributions in all major areas, which include, but not limited to:

- Cloud and Fog/Mobile Edge Computing
- Data Science and Big Data
- Software, web Engineering, and Information Systems
- Security, Privacy, and Digital Forensics
- Health Informatics
- Networking and Mobile Computing and (IoT)
- AI and Machine Learning
- Natural Language Processing and Applications
- Communication Systems, electronics, and Signal Processing

Sponsors

July 1st - 3rd, 2025, Irbid, Jordan

Technically Co-Sponsored by IEEE-Jordan Section

Full paper submission: February 1st, 2025

Photo 1 Jerash is a city in northern Jordan

Prospective authors are invited to submit full papers following the guideline posted on the conference website

<https://www.just.edu.jo/icics/>. Submitted papers will be peer-reviewed (check review process in the conference website), and prospective authors are expected to present their papers at the conference. Submission web page is

<https://easychair.org/conferences/?conf=icics2025> The accepted and registered papers will appear in the conference proceedings. Then, the conference proceedings will be submitted to IEEE. Best paper will be selected by peer reviews and will be announced during the social event at the conference. Submission web page is.

Extended version of the selected papers will be published in well-known Journals.

Important Dates

- **Full paper submission: February 1st, 2025**
- **Notification of Decision: March 27th, 2025**
- **Camera-Ready and Registration: April 13th, 2025**
